Sir:

In response to the Office Action dated October 7, 2004, Applicants submitted by facsimile on February 7, 2005 an amendment under 37 C.F.R. § 1,116 together with a petition for extension of time and fee in the above referenced application. A facsimile receipt acknowledging receipt of the filing was returned by the USPTO and a copy is attached.

Examiner Dolinar contacted the undersigned today, advising that the expected amendment had not yet been received. Upon checking the file, the undersigned noted that numbers on the original fax cover sheet had transposed two numbers, such that the number was 09/901,070, rather than the correct number 09/910,070. The amendment itself did have the correct number. Upon checking with the Examiner again, it was noted that the amendment was not entered in either the above referenced application or the erroneously cited application.

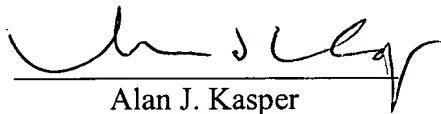

Amendment under 37 C.F.R. § 1.116  
Application No. 09/910,070

Accordingly, Applicant was advised to resubmit the entire filing, with a copy of the USPTO facsimile receipt.

A copy as requested is enclosed. Entry without penalty is respectfully requested. Should there be any need for added information or documentation, contact by telephone with the undersigned is respectfully requested.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
